LET'S GET HEALTHY

At Trobajo School we have got a beautiful greenhouse where we plant flowers and vegetables as tomatoes, lettuces, peppers, onions, carrots...

Every year children, parents and teachers of our school go for a walk to the mountains.

BE HEALTHY!
EAT FRUIT!

IT'S FUN TO EAT FRUIT!
At 11:30 a.m. every day children bring peanuts/fruit/yoghurt/sandwich to school for a healthy breakfast!

“Magosto” is an Autumn Festival

We always celebrate Magosto at school having healthy fruit as oranges or mandarins and roasted chestnuts.
